We will be out over the weekend so please ensure you have sufficient changes of **warm** clothes in case you get wet.

All items should be clearly marked with full name.
Crockery should be **unbreakable**.

Please only take what is on the kit list

I would ask that mobile phones are **NOT** taken, they can add to homesickness for both parents and youngster! Also, we cannot secure valuable items (MP3 players etc).

Please keep the emergency supplies (crisps, sweets, chocolate) to a minimum.
